

## Education

### FUDAN UNIVERSITY

### Undergraduates

Electronic Engineering Department

2016-2019

- \* Major in Electronic Information Scientific and Technology
- \* Rank 13<sup>th</sup>/94 in E.E, GPA 3.53/4.0

### Leadership&Awards

|                      |  |
|----------------------|--|
| <b>Vice-chairman</b> | Tengfei College at Handan, Fdu(2017-2018)                            |
| <b>Vice-director</b> | Public Welfare Department, Tengfei College at Handan, Fdu(2016-2017) |
| <b>Director</b>      | Shanghai Popular Science Education Association(2016-2017)            |
| <b>Director</b>      | Electronic Engineering Department(2016-present)                      |

### Selected awards(15 awards in total since undergraduate):

|  |           |
|--|-----------|
| ■ 2rd Prize of Scholarship, Fudan University                           | 2017&2018 |
| ■ Excellent Students, Fudan University                                 | 2017&2018 |
| ■ Joel&Ruth Spira Scholarship  | 2018      |
| ■ Star of College, Fudan University                                    | 2018      |
| ■ The Ten Best Students, School of Information Science and Engineering | 2018      |
| ■ Star of fitness, Fudan university                                    | 2017      |
| ■ Outstanding Student Leaders  | 2017      |

## Research Experience

Medical Signal Processing Laboratory in Electronic Engineering Department

- Skilled in image registration and feature detection

Xiyuan Science and Innovation Program of Fudan university

- Sound beautification based on deep learning

Tengfei Science and Innovation Program of Tengfei College, Fdu

- Voiceprint recognition based in LSTM

## International Experience&Volunteer

American Culture Program at University of North Carolina Wilmington

- \* Learning about American culture, music, history, geography and so on
- \* Experiencing diverse cultural and recreational activities on local campuses

Exchange Program about Student Union at University of Macau

- \* Learning how to organize better extracurricular activities for students
- \* Experiencing life at the University of Macau

Summer Social Practice Activities in Hainan

- \* Working as a volunteer teacher at Siyuan School in Wuzhishan City

## Personal

Research interests: Biomedical image processing; Computer vision; Machine learning

Language: Native speaker of Mandarin, fluent in English(CET6)
